

AFB Practice Roundtable: Navigating Regulatory Change – Basel 3.1 from Rulebook to Reality

8 October 2026

Association of Foreign Banks (AFB) foreignbanks.org.uk

NAVIGATING REG CHANGE

Governance

- 1 Aligning UK rules with global group policy
- 2 Resolving local vs global conflicts
- 3 Coordinating programmes: where the global model helps or creates friction

Strategy

- 4 Prioritising Basel 3.1 against other initiatives
- 5 Joined-up reporting or project by project?
- 12 Reusing Basel 3.1 capabilities for future requirements

Data

- 6 Biggest data quality challenges today
- 7 Lineage, controls and traceability across Finance and Risk
- 8 Basel 3.1 reporting requirements exposing data gaps

Outlook

- 9 Tangible benefits from cloud, automation or AI?
- 10 Industry collaboration to cut cost and duplication
- 11 One piece of advice for foreign banks starting out
